Announcing Our New

Office Membership Plan

Office Membership Plan

*Oskowiak Family Dentistry is pleased to offer our patients without dental insurance our Office Membership Plan. This is a one-year renewable membership, that includes annual preventive care and 20 to 25% discounts on dental services for a yearly cost of **\$399.00 per patient, payable upon sign-up date.***

This membership fee includes: 2 periodic exams, 2 cleanings and 1 set of necessary X-rays to be completed during the membership year. All other restorative or major dental treatments, or any additional X-rays and exams will be discounted at a 20 % savings off of our office fees. If patient's total treatment costs exceed \$1,000 during the membership year, an additional 5% savings will be applied to any treatment over that amount. An example of your savings for the year is shown in the chart below.
